Have a good
Summer ☺
Ruby

Dear Jimmy-
well i don't know
how to begin what I'm
thinking right now. my
senior year was the absolute best
because I spent it with you. :)
we have so many memories together
at that school, and I miss them
much already. First there was the
back! dance, then Homecoming, then
then X-mas, then New Year's Eve,
then Valentine's Day, then Easter, then
anniversaries in between. Those
to me, and I'll never forget them.
' welcome baby! you are the most
our B-days and I'll never let you go!
then Valentine's day, and I'll never
Of course, all the
times are so precious to me,
thank you for a great year
important person in my life
watch out for all those girls tryin'
I'm still yours and you're still mine!
how much I love you, because I am
keep Smiling yours forever -
always!

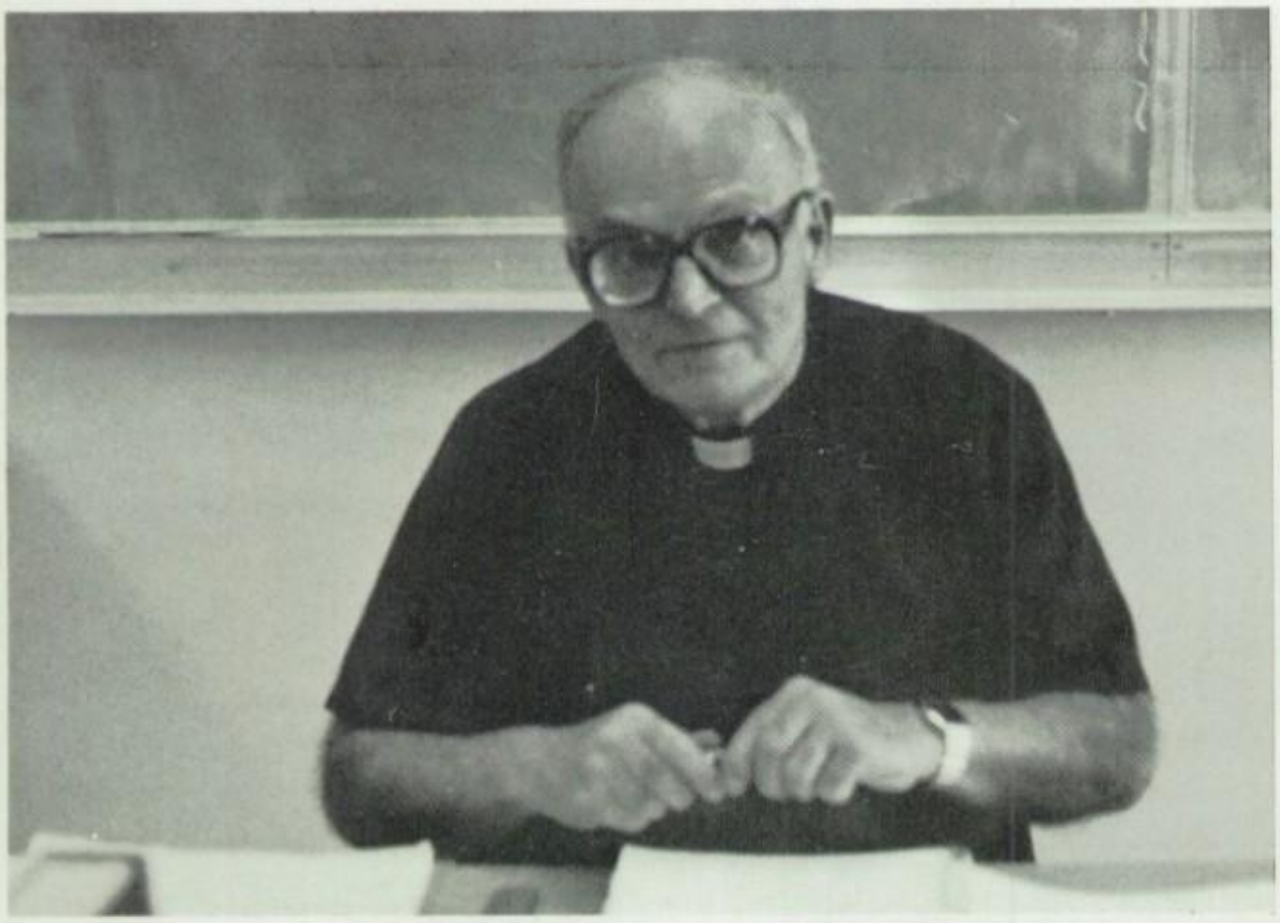
IN LOVING MEMORY OF . . .



"Smile, God loves you," he said.
When things were bleak you always knew
his quick refrain to make you see
the brighter side.

Thousands of lonely soldiers were lifted by his words
on cold Korean country scenes
the wind whipping through his dark black hair
He faced them over his make-shift altar
He blessed the host and wine
His message never faltered
"Smile, God loves you."

His gray headed maturity in stark contrast
to the lithe youthfullness of his face.
He parachuted into steaming Vietnam jungles
bringing comfort to those wretched shell shocked holes
Sanctity to soldiers uncertain afraid, sick at heart.
"Smile God loves you." he said.

For Redcoats reaching out groping trying to find the way
His readiness never flagging
Comforting lighting the way
A smile a blessing on his lips
"Smile God loves you."

When things seem dangerously dark
When our days have left us wounded
When we wander wonderingly
the soft words slip silently
the light lifts our spirit
this smile showing the way
"Smile God loves you."

We are each so special
Our problems melt in the light
Knowing God loves us, each one of us
We have to smile
God loves us.

We stood and talked and for him the race's end was near
He knew the score
I hugged him close
Smiling he said, "Smile, God loves you."

We dedicate our book to you.

KYNA LENORA WEYER

December 31, 1971

May 23, 1987

In loving memory of Kyna Weyer, a special member of our Gerard family. Kyna's undying love for life will never be forgotten. We'll always remember her bright smile and those beautiful blue eyes always sparkling with excitement. Kyna gave so much to Gerard. She clearly demonstrated her Redcoat spirit whether it was through her involvement in sports, Student Council, or just merely being there all the time. She was, above all, a great friend and added a bright spot to the Gerard campus.

We love her dearly.

She's in our hearts forever.

I WISH YOU WERE HERE WITH ME

Why did you leave when I needed you most?
Now that you're gone I sometimes see and feel your ghost.
Are you really here with me?
Or is it all a dream?
Sometimes I hear your laughter in the quiet nights.
Or see your smiling face in the stars' glistening lights.
Can I leave you behind and forget all that we shared?
No. That would be impossible; I would never dare.
Promise you'll never forget me.
What we did, hear and see
I can close my eyes and remember the times we shared.
Sharing in the joys and sorrows, we knew the other cared.
wish that I could see you again.
At least one more time.
To tell you how special you were, one of a kind.
Maybe one day I'll get you out of my mind.
But until that day is found-
I will remember and treasure the love and joy you spread around.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

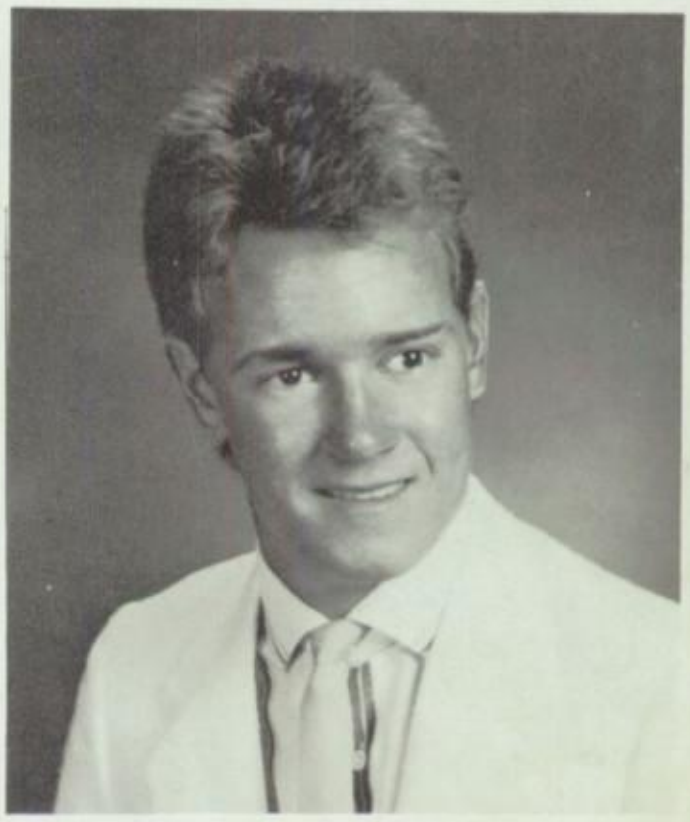
When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied. "My precious, precious child. I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

KRISTONE

David Christopher Bartoletti
Date of birth: December 13, 1968
Date of death: May 23, 1987



In loving memory of Dave Bartoletti who was a great friend. We felt close to Dave. He was a person who we could confide in and he would always help us out. We loved him greatly and would have done anything for him. One quality he possesed was his ability to make people laugh, even at themselves.

He made our days brighter and always added excitement to our lives either through his actions or his dreams and what he would do in the future. Without him our school days wouldn't have been what they were and our weekends would only have been a fraction of what they were. The camping trips won't be the same without him.

Thanks to you, Dave, our high school years were the greatest. We wish they could have concluded with you along with us.

Thanks again. WE WILL NEVER FORGET YOU.

Love,

Matt Toney, C.J. Bayer, Craig Chism, and Chris Votrobek.

An amazing effort, to raise money, was made by the Redcoats this year. Instead of the traditional Cheese Drive, Students were encouraged to collect pledges for a 10-mile walk. The walk began from the Gerard gym after a rally which included a pep talk from Bishop Thomas O'Brien. This was the first time the student body decided to raise money by a walk-a-thon. The primary goal, was to promote unity and doing things together. It was obvious that the students prefered this new fundraiser over any previous ones.

Following the walk, the faculty provided lunch for the students while they frolicked in the glorious sunshine. The Walk-a-thon proved to be a great success with profits totaling between 17,000 and 20,000 dollars. This money went towards improving school facilities and programs. Certainly, this was an event to be remembered by all.

DISNEYLAND

The road to fun.

The Disneyland trip was the first prize for the homerooms who brought in the most money for the Walk-a-thon. Mr. Miller's and Mr. Scarborough's homerooms tied for first place. Fr. Hanley decided that both senior homerooms could go to Disneyland.

We left Gerard Thurs., Nov. 20, at midnight. The bus ride to California was interesting, to say the least. No one slept a wink during the entire trip.

Our bus driver zipped across the highway (following the speed limit of course). We arrived in Anaheim two hours ahead of schedule, so we stopped at McDonalds for a hearty breakfast. We then waited in line to enter the Magic Kingdom.

Disneyland holds many fun memories for me. Everyone had a terrific time that Friday. We all felt it was definitely worth getting pledges and walking 10 miles.

We left Disneyland at 10:00 p.m. and arrived back at Gerard at 3:00 a.m. We made record time, again arriving two hours ahead of schedule. Everyone was totally exhausted.

Every aspect of the Disneyland trip was a lot of fun. These are the memories that we seniors will never forget.

A special thank-you to all the chaperones. Especially Mr. Scarborough (thanks for the pictures).

Show us some teeth.

Memories we'll never forget.

It's a small world.

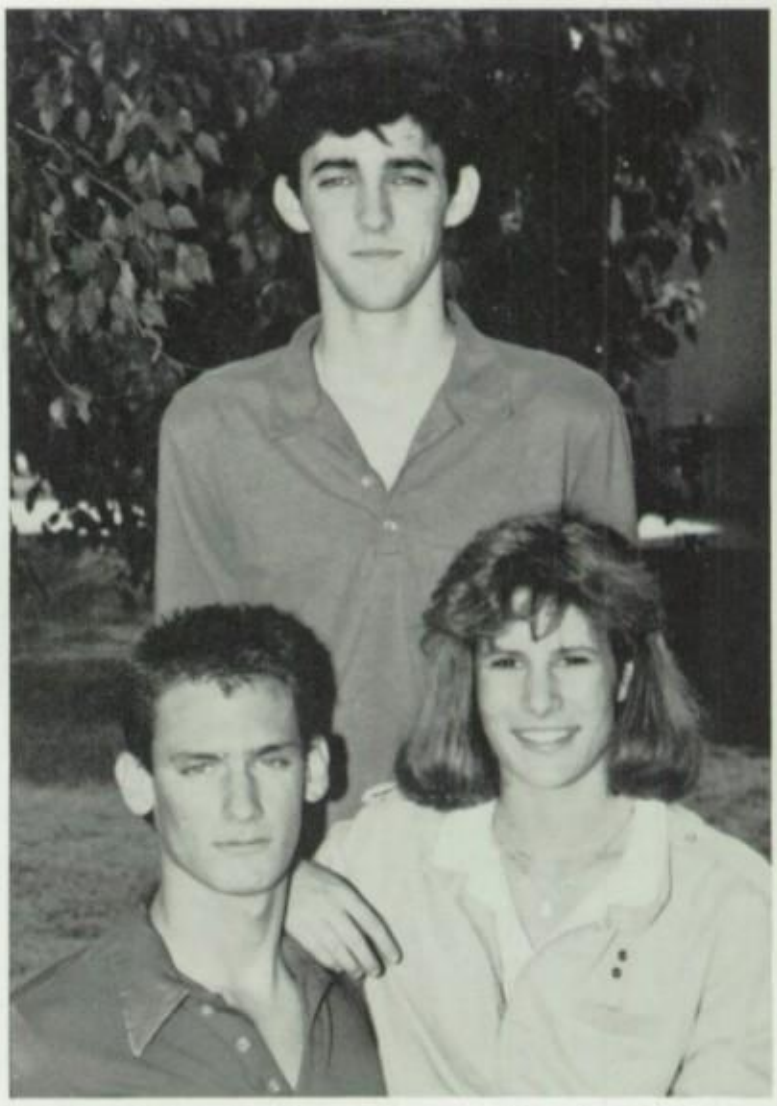
Academics Shine Through!

Friends that last forever.

Each year for one week a mythical state comes alive. The location of this state is the campus of the University of Arizona. This state is better known as Girl's State. Delegates from all over Arizona attend to learn about their state government and how it runs. They set up a mock government and and are divided into cities and counties. The girls could run for anything from Governor to County Treasurer and even city garbage collector. There were so many positions that no one was left out. You were always kept busy with campaign speeches, whistle stop campaigns, decorating dorms and county and city meetings. Yet, there was always a quiet time at the end of each day to prepare for the next hectic day of elections. I ran for Supai County Treasurer and learned to handle money for a whole county. I had a few defeats, but learned to keep going with the support of my new friends and counselors. I found after one week, I grew in spirit and knowledge from Girls State. The experiences, victories, defeats and most importantly the friendships I gained will remain for a lifetime.

—Angelee Scuderi



Reps: Vince Sheridan, CJ Bayer and Angelee Scuderi.

Last June, CJ and I spent one week on the NAU campus experiencing Boys State. We were immediately split up and put in different "cities". Each city was a group of 30 guys from all over Arizona. The cities set up their own governments. CJ and I ran for positions in our city as well as county positions. A county consisted of three cities. Besides being separated geographically, we were also separated politically. I was a Nationalist and CJ was a Federalist. We each tried to get members from our party elected to the important federal positions.

Apart from learning important leadership skills and how our political system works, we both made many new friends. Boys State was a rewarding and fulfilling experience.

What is yearbook? STRESS. Stress is yearbook; yearbook is Stress. Now that we've settled that, let us begin our tale of woe. It all began, by taking on the job of being editors. The weight of responsibility bore down upon us. (Ouch!) We continually found ourselves being backed into a corner- a very dark, lonely, stressful corner. A corner, such that, there was no exit to be found. But whoa- there was a light in the distance. Holding the candle, the flickering flame of eternal hope, were our few dedicated Redcoats. These fine young individuals were as follows: Erin Doell, Tom Nabity, Kim Relph and Roseanne Stewart. They put their tears, sweat and tormented souls into their performance on paper. We'd like to thank them for their time and dedication. Although there will be no cash rewards, they will be rewarded within, from the satisfaction of a job well done (in truth, justice and the American way). Oh say can you see . . . sorry I got carried away, Must be the side affects . . . of yearbook stress. Now YOU tell me, what is stress?

This year the Key Club had a very productive year. It started with the Key Club International Convention held here in Phoenix. Throughout the year the members volunteered at nursing homes, worked in hospitals, helped at an orphanage for retarded children, co-sponsered the Walk-A-Thon raising $28,000 for the school, held a Dance Marathon raising over $1,500 for the needy in Phoenix and the needy in Africa, writing letters to persecuted Christians in Russia, and ending with the Key Club District Convention in Albuquerque, New Mexico. Overall it was a great year of helping others less fortunate than ourselves and serving the community.

The Fathers help us thank teachers

This year there was a new class offered at Gerard to Juniors . . . the Liturgy Class. All of the students in this class were chosen out of the many applications submitted. This class, taught by Mr. Andorfer, involves putting on the liturgies offered at Gerard. Originally we put on one mass a week, but after we found out how hectic that was, we only put on about one a month. The weekly masses were all attended voluntarily by Gerard students and usually we got a pretty good turnout. Basically, a week in the liturgy class would go as follows: Monday we would recieve a religion orientated novel, for which we would have two weeks to read and answer questions about. On Tuesdays and Wednesdays we would practice our singing. On Thursdays we usually recieved our assingments for the upcoming mass, usually somthing like making banners, decorating the chapel, or advertising for the next mass. riday was our special activity day (an example is watching endless movies about The Pope.) We were also given handouts (much like the ones the sophmores get) on which we were tested. Overall, it was a tough class but well worth the effort. The people in the class were dedicated into making it the best it could be, in a way that made everyone happy. Throughout the year we all became close friends, the kind you can tell your most embarrising moment to (and we did hear some good ones) and not be that embarrassed. We became very much like a family, and I hope that we can carry on this tradition through the years at Gerard.

The annual Powder- Puff game was held in November. It is a tradition that has been held for over fifteen years. This year's game was preceded by threats of death and the promises of long hospital stays made by the Senior-Sophomore team aimed at the Junior-Freshmen team. The game itself was riddled with flag-tieing, tripping, 8-man tackling and ugly feminine fighting, yet the Junior-Freshmen team kept fighting, The head coaches of the Junior-Freshmen team were: Jim Duginski, Brian Stoner, Bob Kennedy and Chuck Duginski. Coaches for the Sr.-Soph. team were: Chris Kapilovic, Eric Duggan, and Joe Navarro. The Sr.-Soph team won despite the valiant efforts of the Junior-Freshmen team.

CORONATION '87

Junior Royalty

The Coronation Dance was held on February 28, 1987 in the gymnasium. Coronation is an event sponsored by the seniors to honor Juniors who display special qualities. They must be friendly, spirited, and involved in various school activities. The Junior class nominates ten candidates. Then the Juniors and Seniors vote for one couple.

The Coronation Nominees were Diane Jazwin, Cristi Candeleria, Kelly Reuba, Maria Guaderrama, Colleen Haugen, Joe Rutilla, Jeff Berta, Jim Duginski, Mike Yohler, and Bob Kennedy.

The Students and faculty boogied down to the groovy music until the magic moment when the King and Queen would be announced. The music stopped and the crowd stood back to watch the smiling couples take the floor. After each couple was introduced, the secret envelope was opened and the winners were announced. The lucky couple who was crowned 1987 Coronation King and Queen, were Mike Yohler and Maria Guaderrama. The crowd cheered and the couple shared their first dance together.

Mike and Maria hold the special qualities needed for a King and Queen. Mike is a Varsity Basketball player and Maria is a member of the Varsity Pom Line. They are both members of the Liturgy Workshop.

The Coronation Dance was a great success. Students and faculty enjoyed the romantic evening talking with friends or dancing the night away.

FROSH FOOTBALL 86'

This year's freshmen football team consisted of many different athlete's from many different schools, which had to be brought together in unity to form a team. Not knowing each other or each other's talents made it quite difficult at first. As time went by, the players began to unite as a team and become true Redcoats. Led by Coach Louie Mallet and Coach Kevin Maloney the team was small but the boys were eager to learn.

The Redcoats had a long season which they faced with great courage. Captains Chris Kapilovic and Eric Duggan led the team with pride. This year's team was young and inexperienced with 18 sophomores, 7 juniors and 14 seniors. Sophomore, Jimmy Trujillo, was chosen all conference, 2nd team kick returner and senior Chris Kapilovic was chosen all conference, 2nd team offensive guard, defensive end and defensive linebacker. Overall, this season did not go as expected. The team's best efforts were brought forth against the stiff competition in AAA Division 2 and the Redcoats perservered with courage, pride, honor and unity.

Even though they were up against unbeatable odds, the Redocats stood their ground with dignity and pride.

HOMECOMING '86

Homecoming Queen Terri Cryan and King C.J. Bayer

Homecoming '86 was set to the theme of Chinatown. This year was special because it marked the ten year reunion. We welcomed alumni from last year as well as many from 1976.

The Homecoming activities began on October 10, 1986 with a successful pep rally. Enthusiastic students and faculty assembled in Thomas Moore Hall and rose to their feet to welcome the football players. Everyone clapped and cheered when the pysched players ran into the gym. They were first greeted by the spiried cheerleaders and pommies. Next entered the wild Kowlaski Brothers, Pete Simms and Dan Smith, dressed in their best. Coach Relph then rallied the players and crowd with an encouraging speech. The assembly ended with everyone shouting, "B-E-A-T, BEAT GILBERT!"

That evening, the enthusiastic faculty, students, parents and alumni gathered in the Redcoat football stands to see the mighty Redcoats display their pride. The excitement of the crowd mounted as halftime approached. Who would be the new King and Queen?

Halftime began with the entire cheer and pom lines performing an outstanding routine to Chinatown inspired music. Next, Master of Ceremonies, Vince Sheridan, approached the field to announce the Royal Homecoming Candidates. The couples followed the float around the football field in fancy cars that were borrowed from students and parents. As each couple was introduced they walked onto the field with anticipation. The crowd quieted as the 1986 Homecoming King and Queen were to be announced. The lucky couple was C.J. Bayer and Terri Cryan. 1985 King Blaine Donovan and Queen Karen Woods crowned the couple as the 1976 King and Queen, Ed Hoyt and Chrissy Schwan robed the winners. Everyone was pleased with the results. After the game was the annual Homecoming Dance attended by Terri and C.J., the royal court, and many students.

Chris Votroubek

The team showed some promise at the beginning of the year but it turned out to be a very frustrating year for the top players on the team. The team was led by the seniors, Matt James Chris Votroubek, Victor Slivinski, and Matt Toney. The lone junior on the team was Bill Dowling, one sophomore, James Kelly, and three freshmen, Ronnie Fett, Chris James and Eric Lindomen. Even though some of the golfers didn't always play to there potential a couple of the freshmen, Chris James and Ronnie Fett Played some good golf and ended the golf season by doing well at Divisionals. The golf team could look very good in the future with the talent that was shown last year.

This year's Cross Country team was led by Mr. Steve Threkeld. Although we had a young team, we competed well on the J.V. and levels. Our team captain this year was Tom Nabity. We also want to give credit to Roman Navarro, who was not able to compete yet gave us his encouragement, guidance and leadership as a Co-captain. We feel that in the next few years our team, guided by Coach Threlkeld will become a respected and well known varsity squad in our division.

Young but not inexperienced.

The 1986 volleyball season for the girls didn't quite turn out as planned. The team had high hopes for the season, but by the end everyone had lost faith in themselves. We didn't give up, yet our 100% effort was not given at all times. The season was not a total loss, though. It was a success in that we learned what it takes to make a winning team. It takes alot of teamwork and everyone must be able to work together. Winning is a good feeling but losing knowing that you gave your best is the best feeling of all.

This years' Gerard J.V. volleyball team was coached under Mr. Anthony Briones. Most of the girls returned from last year bringing the skills and spirit needed for a good team. The 1986-87 Gerard Running Redcoats season was very successful. Even though the team record was 8-17, the Running Redcoats made it to the state tournament, the first time in five years, by beating Cactus High School. The Running Redcoats lost to the North Mustangs, who lost in the championship game to Carl Hayden. Head Coach Roy Burcham was very pleased with the season, and was very happy to have a team that finished as one of the top 12 teams in the state. The 86-87 tri-captains were Dan Smith, Chris Kapilovic and Craig Chisum. Senoir forward Dan Smith said, "I think it's great that we went so far, considering the enrollment at Gerad is around 300 and we beat teams that had school enrollments of around 3,000 students. There were more people at the away games from Gerard than there were from the home team's school." Coach Burcham recieved much help from freshman coach Pete Legreggo at the practices as well as at the games. Chris Kapilovic and Dan Smith made All-State Honorable Mention for The Arizona Republic and Vince Sheridan, Chris and Dan made All-State Honorable Mention for the Phoenix Gazette. The 86-87 Running Redcoats will be a team that will be hard to forget.

Two for the Redcoats

Coach Pete Legreggo labored long and hard to weave individual talent together to form the promising Frosh basketball team. The groups speed, coordination and determination was not concentrated into a nucleus of a single player— but rather spread across a nuclear explosion of power and gusto that enveloped each and every member on the team. Practice was often exhausting and tiresome-but the participants recognized the necessity of dicipline and tackled it with true determination. Despite some disappointing scoreboard talleys and fleeting moments of despair, the team rallied 'round again and again to provide entertainment to their faithful fans and to cut one more notch in their belt of experience.

Good luck guys, See you next year!

WRESTLING

From left, kneeling, David Wolfmeyer, Rudy Corona, John Wolfmeyer, Tom Nabity, Joe Young. Second Row; Kevin Addis, Mike Lauinger, Chuck Duginski, Drew Votroubek, Burghardt Beasely, Dan Iafrate. Last Row; Mr. Cuilei, Joey Banks, Gerardo Valles, Ross Sewell, Chad Davis, Bill Dowling, Joe Navarro, Marcus Sepulveda, Bill Rogers, Mr. Helsel.

This year's wrestling season was one of growing and learning. Under the new coaching staff of Head Coach Cuilei and Assistant Coach Helsel, our team fared well. We started out with twenty wrestlers and finished with fifteen, due to injuries and academics. We had a lot of talent. The Freshmen class alone had five starting Varsity Wrestlers. It was tough but they did their best. They were Chad Davis, Chuck Duginski, Gerardo Valles, and Joe Young, and John Wolfmeyer. There were four starting Varsity Sophomores, Kevin Addis, Joey Banks, Tom Nabity, and Drew Votroubek. Our strongest class, the Juniors, had three varsity wrestlers, Ross Sewell, Marcus Sepulveda, and Bill Dowling. Finally we had Joe Navarro, our only senior at Heavyweight. The three outstanding wrestlers, who attained the most varsity points were Ross Sewell with sixty-six points, Tom Nabity with forty-five and Marcus Sepulveda with thirty-five. This year there were three team captains Juniors Ross Sewell, and Marcus Sepulveda and sophomore Tom Nabity.

We had three wrestlers go to State Tournament in Tucson this year. Placing third was Ross Sewell, and taking fourth in their individual weight classes were Tom Nabity and Joe Young, Ross Sewell was the only member to make it to the Semi-finals, Ross placed fifth in the state with one hundred thirty-two points.

Our new coach, Mr. Cuilei, was the strength and guidance of our team. Mr. Cuilei, a graduate of West High, Phoenix College and NAU has always wanted to be a coach. In high school he excelled as a wrestler taking state his senior year. He went on to place fifth in the nation in College. He is engaged and plans to marry in October.

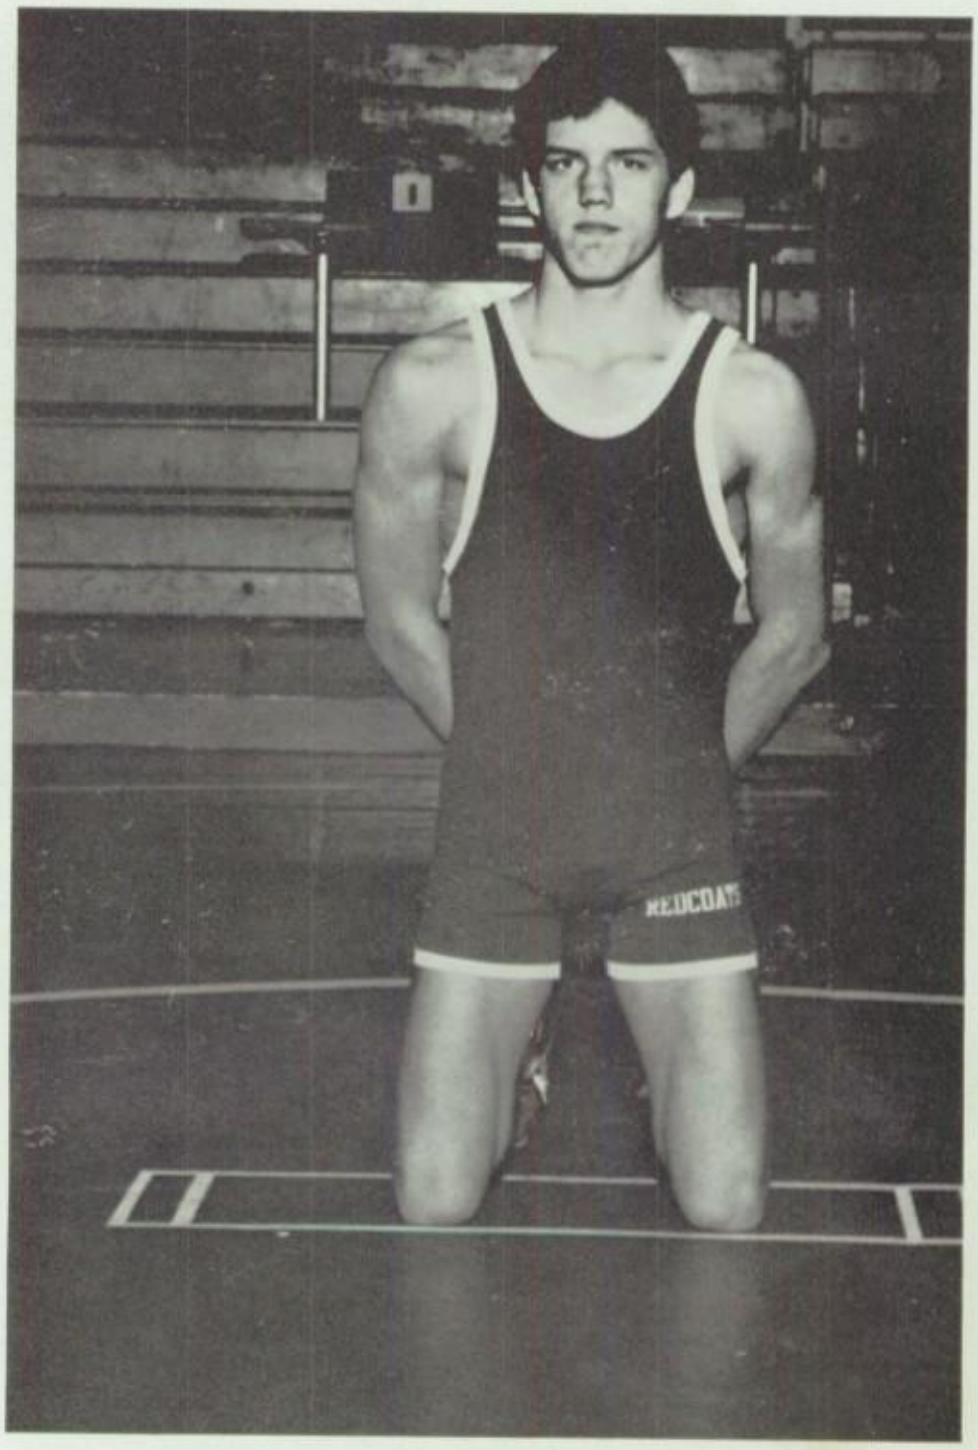
Tom Nabity

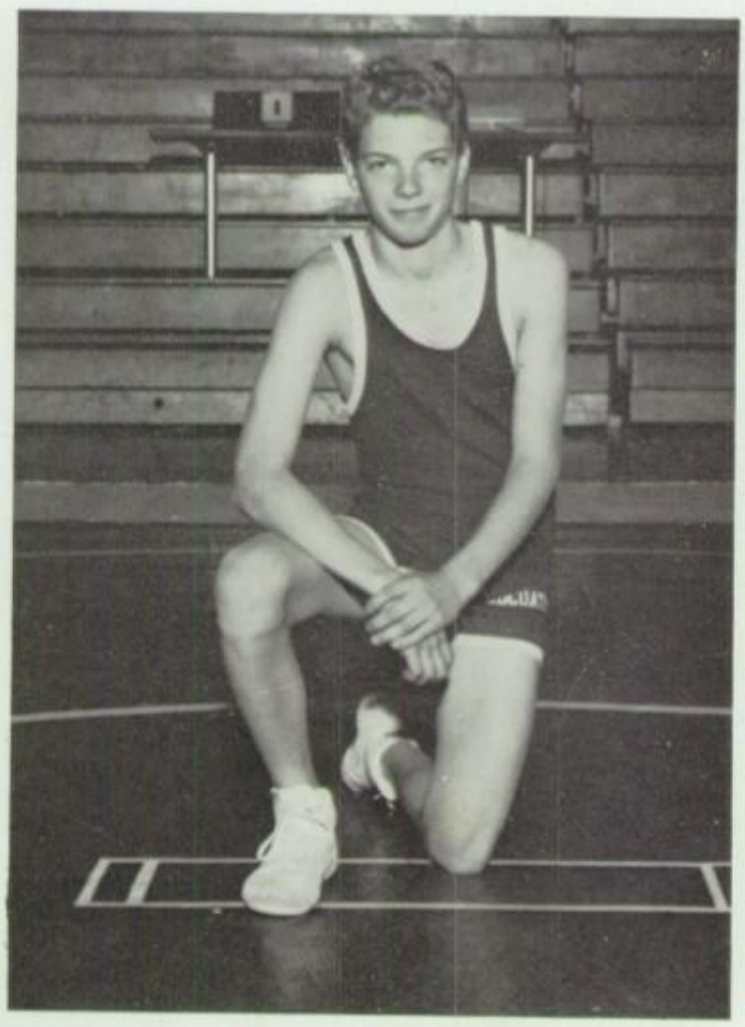
Chuck Duginski on his way to his first Varsity win against San Pasqual.

Joe Navarro wrestling his final match as a Redcoat, against San Pasqual.

Ross Sewell on his way to a quick pin vs. San Pasqual.

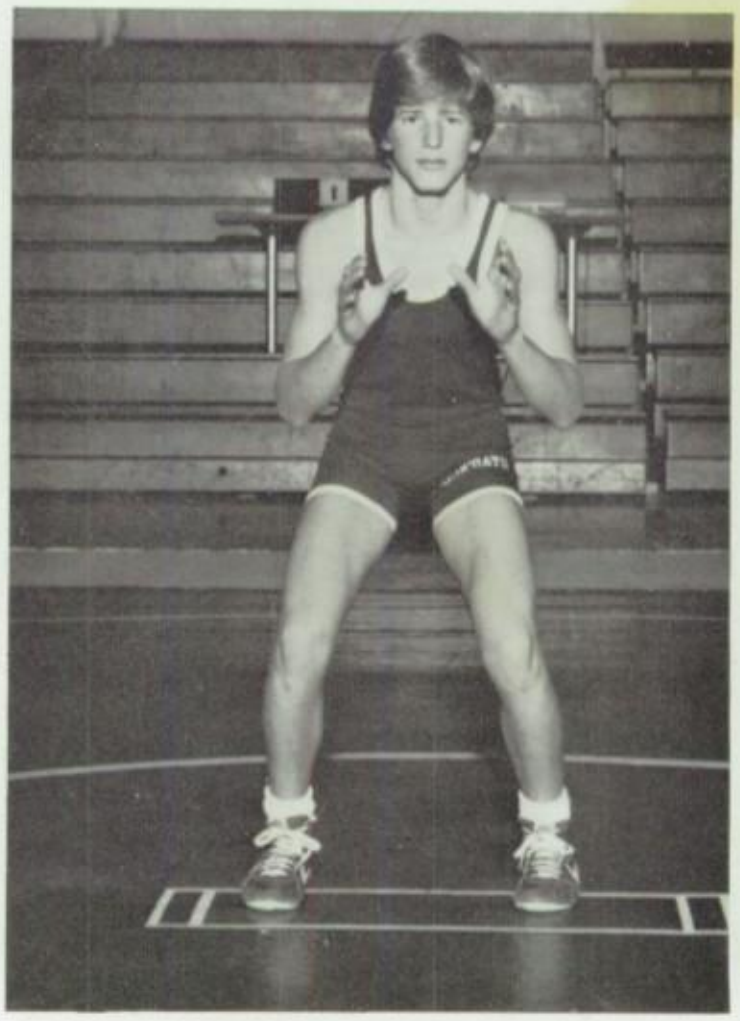
Ross Sewell, one of our only three year athletes recieved our Most Valuable Wrestler award. He scored the most Varsity points, pins, and placed fifth in the State Tournament. Ross also recieved Most Valuable last season. He has been team captain for two years. He credits his success to hard work and achieving goals. He plans to take state next year and go on to wrestle in college.





Joe Young our hundred five pound freshmen who went to state. He placed fourth at divisionals and intends to continue in the years to come.

Tom Nabity our hundred twelve pound Sophomore had a good year and ended it by competing in the State Tournament. Tom intends to do even better next year by placing in state. His goal is to take State his senior year.



VARSITY SOFTBALL

The 1986-87 Varsity Softball team got off to a slow start. We all spent the majority of the season adjusting to the new coach, Mr. Carroll. To say the least, it was a big change from last year. As the season progressed, we learned to work with each other and we never gave up. We had high hopes and always tried to have a good attitude. Considering the size of our school and the competition, we thought we represented Gerard with true Redcoat spirit. The team was lead by seniors Theresa and Sheila. Sheila Healy also made the AAA-2 All State Softball team as shortstop.

The 1986-87 J.V. Softball season started off to a slow start, but as we gained more experience, we slowly caught on! We had a lot of talent but not quite enough to compete against the other bigger schools. Our team was coached by the non-stop dedication of Mr. Bowen and Mr. Malony. We tried our hardest and did our best during the 86-87 season and we anxiously await the 87-88 softball season to carry on the Redcoat pride.

REDCOAT TRACK

Matt Dirks relaxes after clearing the pole vault bar.

The 1987 track team was small but determined. The team would show up to a meet with as few as four participants, while other teams would bring two busloads. Their perseverence paid off, though, Matt Dirks made it to Divisionals, in pole vault.

Seeing the guys from a different point of view.

The boys kept up their good sportsmanship throughout the year.

The 1986-87 Gerard High Baseball Team was a great improvement from the past year. Last year the club finished 2-20, winning both games out of conference. This year, the Redcoats finished 9-26, winning two in conference. Once again for the twelfth year in a row, John Carroll and Jerry Stone were the coaches. Over the last two years, both Stone and Carroll have said that the team has improved greatly. The school along with the team would like to thank them for all the hours and sweat they have put in.

The Redcoats had some fine athletes with much talent. The team says that their record doesn't show what they have. From Underclassmen up we had Gerard "baby learch Sharko. Gerard played solid shortstop the whole year, batted .350, and pumped in 16 R.B.I.'s for the year. He is only a sophmore, and will be more talented in years to come. Gerard had 6 juniors on the team. First is Joe "Timex" Rutila. Joe played catcher, batted .253 and was second in doubles with 6. Joe is a good leader and recieved the captain award this year. Joe is nicknamed Timex because he "takes a licken, but keeps on ticken". Next is Glen "Shnookums" Sharko. Glen played 1st base, 3rd and pitched. His batting average was .325 with 7 R.B.I.'s. Matt Tripani is our solid second baseman. He hit .173 with 4 R.B.I.'s. "Dirty Dave Ference" was our 3rd baseman and leftfielder. Dave hit .128 with one homerun. Bill "Smiles" Dowling played 1st base and outfield this season. Bill hit .254 with 8 R.B.I.'s, 4 of them came from a grandslam. The last junior is Jeff "Iceman" Berta. Jeff batted .337 with 13 R.B.I.'s and had the only 2 triples on the team. Jeff lead the team in pitching beating Casa Grande on a shutout and Gilbert with a three hitter. Jeff was chosen as the most valuable player on the team. We only had 5 seniors this year. Pete Simms pitched and played the outfield. He had a batting average of .337 with 13 R.B.I.'s. Next is Matt "no hair" Toney. Matt played 3rd base for the Redcoats and hit .148. Chris "Ed Salute" Votrobeck. Chris was our second baseman and outfielder. Ed hit .218 with 4 runs batted in. The next two individuals did not play much but they worked harder than some of the starters. Dave "Vino" Bartoletti was an outfielder who was a very hard worker. Chris "Howdy Doody" Smith was a hard worker in the outfield. The team manager was Rob Stevens. Bob was the bat boy and water boy. The team gives an Ed Salute to Rob. The guys hope that next will be a great year.

This years' Freshman team was coached by Louis Mallet, who has coached the team for more than 10 years. They had a really good season beating teams like Gilbert 37-3. They were led by power-hitters Tim Cocchia, who had 3 home runs, and Lee Ference.

This Years' J.V. team was coached by Kevin Maloney who is in his second year coaching here. The J.V.'s played tough all year beating teams like Casa Grande. They were led by captains Tom Nabity, centerfielder and lead-off batter, and Greg Geenen, catcher and clean-up batter.

Vr. Basketball

This year's Varsity team remained strong throughout the difficult season. Though the injuries and hardships made it rougher, the spirited team got tougher. Drafted from the J.V. team were sophomores: Ann Bayer, Robin Carr, Victoria Clark, and Kathy Slivinski. Each game brought great improvement that was displayed especially in our battle against Casa Grande. The aggressive and competitive team made it all the way to Divisionals where we displayed our indestructible Redcoat spirit, pride, and skill. Though the season didn't end as expected, the team is looking forward to next year. Awarded Most Valuable Player was senior, Tina Spade. Sheila Healy, senior, received the Most Improved award. We are all thankful to Coach Swisher (Clarkage) for putting up with us all season and FINALLY getting us to Prescott!

The 1986-87 J.V. Girls basketball team was coached by Mr. Pat Cassidy, assisted by Miss Susan Ferraro. The team came out strong the last half of the season after a rocky start. They have put much determination and hard work into making the team. They have something to be proud of and they'll be a great team in the future.

This year, Varsity Cheer ended up with six dedicated girls and one dedicated guy (Eric Duggan) who worked diligently to make the line the best it could be and to also raise the overall Spirit. The line was dedicated to the Redcoat pride that makes Gerard a special kind of place.

The J.V. Cheerline was an outstanding support to all of the athletes at Gerard Catholic High School. Our year started out with a bang. Some of the most spirited girls were chosen to lead the J.V. teams into a winning season. Heading into football season, we were sad to hear that there would not be a J.V. team for us to cheer for. It was suggested that we cheer for the Varsity team along with the Varsity cheerleaders. The idea did not go over so well at first. Adjustments were made, and we alternated quaters with the Varsity girls. The J.V. Basketball season was all ours. Although the team did not break any records, we were behind them all the way. We would like to thank Mrs. Schinzel, who coached us.

Tanya, Angie and Jennifer display their winning spirit.

PROM '87

A Touch of Class

This year, the Junior Council decided to try something new for the Junior/ Senior Prom. On May 9, 1987, they put on a spectacular dinner and dance at the Adam's Hilton in Phoenix.

Couples arrived at the hotel in rented limos and fancy cars. (Thanks Dad!) After taking the escalator upstairs, they stepped into the glittery room set to the theme of "A Touch of Class." It was truly first class all the way with the silver streamers, purple and silver balloons, and the 'famous' metro skyscrapers that reflected the city's twinkling lights.

As dinnertime approached, students and chaperones were seated at their tables around the dance floor. They relaxed with the soft dinner music and dug into the delicious three-course meal. After dinner, everyone danced to the groovy tunes of the Sunshine Express (Ah!).

Students enjoyed the magical evening dancing, getting their Prom portraits taken, or just talking with friends and dates. But the fun and excitement didn't end at midnight. Students spent the next morning partyhopping and dining for an early breakfast.

By the by, it was an unforgettable event for everyone, filled with those special memories we will always cherish.

-Kelly Reuba

Couples enjoy the romantic evening.

GRADUATION '87

A Day to Remember

(above)-Free at last! (below)-Kristie and Michelle-happy graduates!

We finally did it!

May 30, 1987, was a very special day for the Class of 1987. During the past four years, we have grown together as one. Now it was time to say goodbye to the ones we love so dearly. I don't think any of us thought this beautiful day would ever come, but slowly it crept upon us.

As everyone knows, there was a terrible tragedy which put a damper on our preparations for Saturday. We all stuck together and pulled out quite, despite the circumstances.

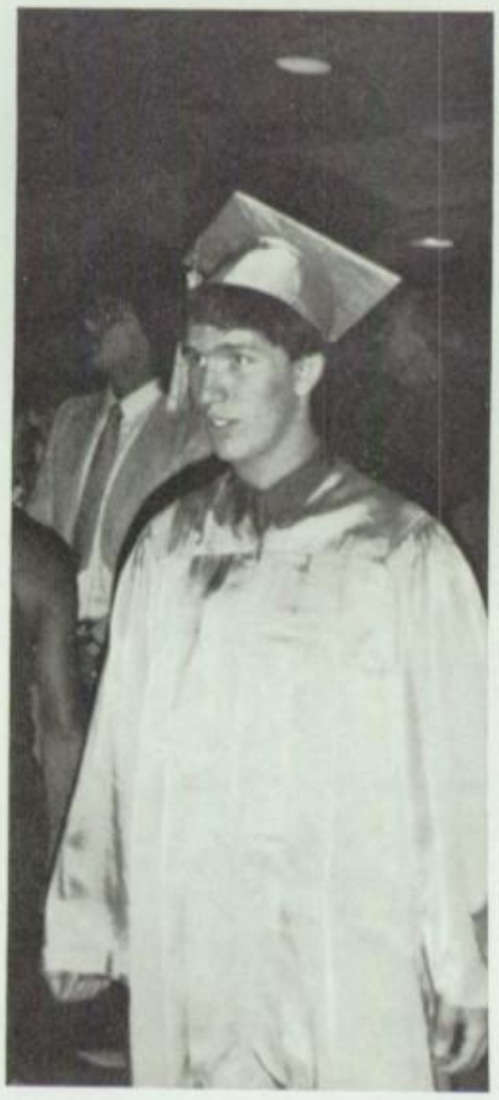
It was a tremendous and unforgetable ceremony. A lot of hard work paid off. A special thanks goes to our parents. They have put up with our ups and downs. Now they must let go and hope for the best for their children. We really appreciate all you've done for us. We love you!

Although this was the happiest day of the year, deep down we will really miss Gerard and the poor souls still stuck there.

-Tina Spade

Ha! Ha! We're outta here!

A friendship that lasts through good and bad.



(left)-Uh-oh! Where do I go now? (above)-The future awaits! (right)-This is it! (below)-C.J. wishes peace forever.

Look out!

Inner satisfaction.

Valedictorian, Vince Sheridan.

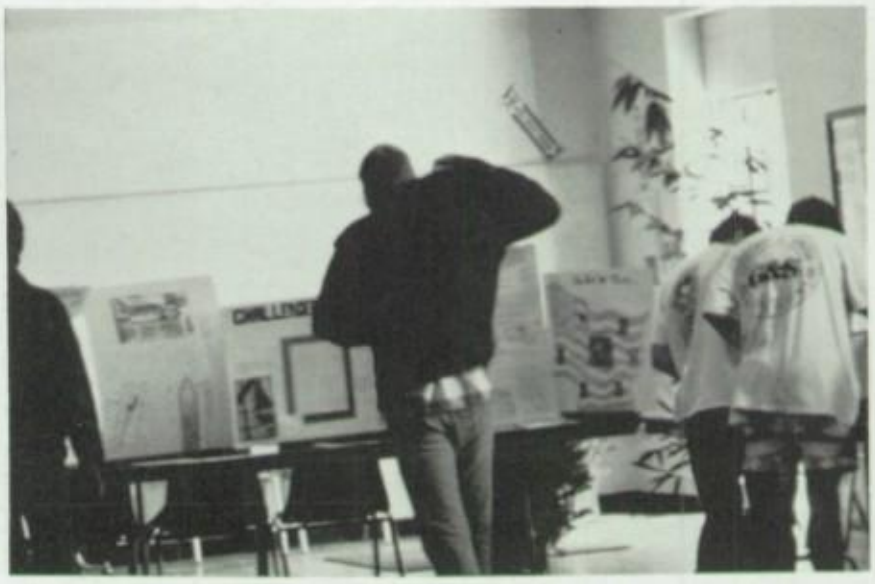
Salutatorian, Pam Bishop.

That's all folks!

BLOOD DRIVE

As in the past, the Seniors and some Juniors become victims of the blood drive. We had two blood drives this year; one in December and the other in May. For some Seniors, it was their very first experience in giving blood. Angie Bobst, Genie Fleming, and Sara McGoldrick were in charge of the organization of both drives. The students provided a good turn out to cap a successful blood drive.

SCIENCE AND ART FAIR 96



This years' Fine Arts and Science Fair was a great success. It is greatly due to Miss Pamela Nask, art department, and Mr. Steve Threlkeld, science department. Their devotion to the students is inspirational. This year the Science and Arts Fair was judged by a professional board from a nearby community college. Each student was responsible for a project that that would be entered into this fair. It has been one of the largest Fairs here at Gerard; both Thomas Moore Hall and the field house lobby were used to accomodate all the fine projects. The students at Gerard have so much talent and events as such deplict their talent, intelligence, and ability to accomplish difficult projects. Each project entered was a piece of art in itself.

Dear Jimmy,

What's up buddy? Not much here. Can you believe we survived 2 whole years here!? We're "juniors" now, and soon, seniors. Basketball was fun, except that we were 0-19 and had 6:00 am practices.

Good luck this year on Varsity. I hope I'm up there with ya to cheer you on. If not, well JV.

Good luck this year and in the future.

* You're a great guy and a great friend *
